Invitation Letter

Dear Delegates and Faculty Advisors,

It is with great pride and excitement that we formally invite you to the First Annual George Washington Model United Nations 2026 International Summit Beijing (GWMUN 2026)!

GWMUN is a premier Model United Nations conference that brings together outstanding young students from around the world to address the most pressing issues facing today's society. The key unique features of the conference include: the sessions are composed of small committees of around 50 people; participating delegate can earn 2 American high school credits after academic training. Delegates will have more opportunities to speak and discuss, and to communicate fully with the Dais under small committee. It is an excellent training opportunity for MUN beginners. The conference offers prizes like Best Delegate, Best Position Paper, Etc. GWMUN delegates can work together in future conferences to solve the complex security, employment, economic, and environmental problems facing humanity, and even react positively to a series of events witnessed by historical committees!

GWMUN is committed to making this summit the best conference in history, and we sincerely look forward to your participation!

Secretary-General
